Through the Vision & Leadership of
Mayor Terry Seitz
Jasper is Taking Off!

Terry ... a family man.
is... ... someone who represents our community well.
 ... a dollar and “sense” Mayor.

SENSIBLY USING TAX DOLLARS AND TEAMWORK TO MAKE JASPER A BETTER PLACE TO LIVE!

- Terry’s team operates the city on a balanced budget and, during his term, Jasper taxpayers kept nearly \$1M in their pockets through tax caps.
- Terry’s team negotiated for Jasper to become a GIGA CITY with a \$7M privately-financed, city-wide fiber optic build.
- Industries have announced over \$40M of new investment and nearly 50 businesses have held ribbon-cuttings since Terry took office.
- Terry’s team has our city prepared for the future with the Downtown & Riverfront Master Plan.
- Terry’s team established Jasper’s first dog park.
- Terry’s team sold two city properties to help pay for the purchase of the old country club golf course and created *The Parklands of Jasper*.
- Since he’s been mayor, the Jasper Police Department hired its first officer of Hispanic descent and began sharing an officer with our schools.
- After taking office, Terry eliminated take-home cars for City Hall civil city staff.

Paid for by Seitz for Mayor Committee. Eric Schue, Treasurer.
